Goals and Accomplishments

MOAA Sandhills Chapter Annual Golf Tournament

GOAL

The primary goal of the Sandhills MOAA Golf Tournament is to raise funds to support the college scholarship program. Through this tournament this scholarship program has been fully funded. In the event the tournament raises funds above what is needed to support the scholarship program, these additional monies are dedicated to the Veterans Support Fund (VSF).

COLLEGE SCHOLARSHIPS

For the past 18 years the Sandhills Chapter of MOAA has provided college scholarships to deserving Junior Reserve Officer Training Corps (JROTC) students. These high school seniors are selected by their cadre based on leadership, acumen, community involvement, and potential. Currently scholarships are awarded to one cadet from each of eight high schools in the area which offer JROTC programs. Over the years the amount of each individual scholarship has grown, and for the last three years our Chapter has provided each student with a \$2000 scholarship.

VETERANS SUPPORT FUND

Moore County is home to over 10,000 veterans. Unfortunately, over 10% of the Veterans live below the poverty line and are in need of support beyond that which is provided by the Department of Veteran Affairs and the State and County Veterans Support Offices. In 2013 the Sandhills Chapter of MOAA created the Veterans Support Fund (VSF) to raise money to support the Moore County veterans in need of our help. Working in conjunction with the County Veteran Support Office as well as other local veteran organizations, the Sandhills Chapter of MOAA has distributed over \$58,000 over the past three years. The contributions from the golf tournament are a part of this charitable effort.

Inclement Weather Plan:

In the case of inclement weather, especially if it results in cancellation of play, this is the current plan:

0800-0900: Registration will be as planned, location shifted to under the walkway or indoors.

0930-1000: Decision window, with decision not later than 1000.

1000-1100: If cancelled, the chapter will hold its monthly meeting in the dining/buffet room. All participants are invited to attend the meeting.

1100-1300: The Buffet will serve early; lunch provided to all as planned.
